 - **Systems & Platforms:** Windows 10/11, Microsoft 365, Active Directory, SharePoint, Azure, AWS
 - **Networking:** TCP/IP, DNS, DHCP, LAN/WAN, VPN, Firewalls, Wi-Fi Troubleshooting
 - **Tools & Software:** Zendesk, ConnectWise, ServiceNow, TeamViewer, AnyDesk, PowerShell, Windows Deployment Services (WDS)
-

PROFESSIONAL EXPERIENCE

IT Support Technician | Secure Logic Solution | April 2024 – November 2025

- Resolved an average of 15-20 daily support tickets via phone, email, and ticketing systems (Zendesk, ConnectWise) for 100+ end-users.
- Automated routine IT tasks using PowerShell scripting, reducing average ticket resolution time by 25%.
- Administered user accounts in Active Directory, performing password resets, account creation/deletion, and managing group memberships.
- Troubleshot and resolved network issues related to DNS, DHCP, TCP/IP, and VPN connectivity.

- Imaged and deployed Windows devices for new employees using WDS, ensuring seamless onboarding for remote and onsite staff.
- Created detailed knowledge base articles for common issues, increasing the team's first-call resolution rate by 15%.

Customer Service Representative | Bellissima Italian Pantry | January 2022 - March 2024

- Provided high-quality customer service through face-to-face, phone, and email support.
- Managed inventory records and streamlined handover processes, improving operational efficiency.
- Trained new team members on POS systems and customer service standards.
